diaspora constitutes a powerful descriptor for the modern condition of the contemporary poet the spokesperson for the psyche of america the poems in

american diaspora poetry of displacement focus on the struggles and pleasures of creating a home physical and mental out of displacement exile migration and alienation to fully explore the concept of diaspora the editors have broadened the scope of their definition to include not only the physical act of moving and immigration but also the spiritual and emotional dislocations that can occur as for emily dickinson and other poets even in a life spent entirely in one location more than one hundred and thirty contemporary poets reflect and mediate rage and bless as they tell their own stories in short this is an anthology of american poetry that draws upon the sensitivity tenderness rebelliousness patience and spirituality that point to the future of our nation

presenting a new way of reading that helps us discern some previously unnoticed or unnoticeable features of asian diaspora poetry this volume highlights how poetry plays a significant role in mediating and defining cross cultural and transnational positions asian diaspora poetry in north america is a rich body of poetic works that not only provide valuable material for us to understand the lives and experiences of asian diasporas but also present us with an opportunity to examine some of the most important issues in current literary and cultural studies as a mode of writing across cultural and national borders these poetic works challenge us to reconsider the assumptions and meanings of identity nation home and place in a broad cross cultural context in recent postcolonial studies diaspora has been conceived not only as a process of migration in which people crossed and traversed the borders of different countries but also as a double relationship between different cultural origins with all its complexity and ambiguity associated with the experience of multi cultural mediation diaspora as both a process and a relationship suggests an act of constant repositioning in confluent streams that accommodate to multiple cultural traditions by examining how asian diaspora poets maintain and represent their cultural differences in north america zhang is able to seek new perspectives for understanding and analyzing the intrinsic values of asian cultures that survive and develop persistently in north american societies
